

Us Tables. Combine. Create. Collaborate.

Where Students Gather

A modern learning environment lends itself to interaction and the exchange of ideas. **Us** Tables and Chairs are designed to support and embrace the learning experience. Mobile casters allow for easy transition from one task to another, while side-mounted bag hooks keep important study materials accessible and off the floor. The innovative construction process provides extremely durable yet lightweight tabletops.

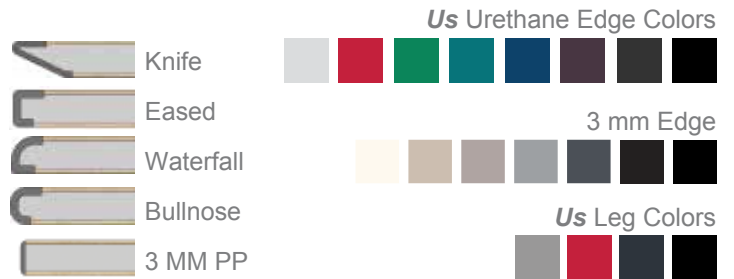

Lightweight

Designed to Accommodate

The wide-leg stance is designed to accommodate two occupants in a side-by-side configuration without hampering personal space. Multiple tabletop sizes and leg dimensions may be combined to suit the needs of your active learning environment. The legs are available in three widths and may be fitted with either casters or glides.
